AGREEMENT

between

BREWERS RETAIL INC.
(Operating as The Beer Store)
hereinafter referred to as the “Employer”

and

UNITED FOOD and COMMERCIAL WORKERS
UFCW UNION 12R24.

hereinafter referred to as the “Union”.

PREAMBLE

The purpose of this Agreement is to establish and maintain satisfactory working conditions, hours and wages, to provide an amicable method of settling differences or grievances which might arise, and to maintain harmonious relations between the Employer and all employees covered by this Agreement. It is agreed that such relations will assist the Employer in the most efficient operation of its business. However, this Preamble shall not conflict with contractual arrangements as set out in the body of the Agreement.

SECTION 1: UNION RECOGNITION

1.01 The Employer recognizes the Union as the sole and exclusive bargaining agent for all its employees employed at its distribution centres and retail stores in Ontario, and in Draught Equipment Service (Windsor / Chatham Operations) all existing unionized clerks in the province (Stoney Creek Distribution Centre Warehouse Clerks, Ottawa Distribution Centre Warehouse Clerks, Brampton Distribution Centre Warehouse Clerks, Whitby Distribu-

tion Centre Warehouse Clerks, London Distribution Centre Warehouse Clerks, Windsor Warehouse Clerks) and any future distribution centres or warehouses (ie. new or consolidations) save and except office staff, and persons of a supervisory capacity such as Supervisor or Manager, those above the rank of Supervisor or Manager, having the authority to employ or discharge or discipline employees.

London Distribution Centre Warehouse Clerks, Windsor Cross-Dock Clerks

London to have minimum 5 full time employees

Windsor to have minimum 1 full time employee

1.02 The Employer hereby consents and agrees to recognize a negotiating committee of employees selected by the Union which may be assisted by representatives of the Union's choice and to deal with the said committee for the purpose of negotiating a new or amended Collective Agreement at the proper time or to deal with any matter properly the subject of negotiations which the parties may mutually agree to discuss during the term of the Agreement.

1.03 The Employer agrees to display the current official Union decal of the United Food and Commercial Workers Canada, Local 12R24, in a location where it can be seen by customers.

SECTION 2: UNION SECURITY

2.01 All present "Full Time" employees employed in the bargaining unit as described above, shall, as a condition of employment, become and remain members of the Union.

2.02 "Probationary" employees employed in the bargaining unit as described above, shall, as a condition of employment, obtain and maintain permit cards during their probationary period. However, upon completion of their

probation, they shall apply for, and maintain, membership in the Union.

2.03 The Union agrees that any employee engaged by the Employer to work in the bargaining unit who is satisfactory to the Employer will be allowed to make application for membership in the Union on payment of the regular initiation fees and membership dues, and will not be denied membership without just cause.

2.04 Whenever an employee is suspended or expelled by the Union, the Union will give the Employer, in writing, the reason for such action.

2.05 The Employer will accept dues deduction forms on a voluntary revocable basis for Full Time and probationary employees for dues. The Employer will accept on thirty (30) days' notice from recognized Union Officers, changes in the weekly dues for members who have submitted dues deduction forms. Such changes to not be more frequent than three (3) per year. The Union agrees to supply the Employer with a current list of recognized Union Officers.

2.06 Part Time employees will have dues deducted on the basis as set out by UFCW Local Union 12R24. Changes not to be more frequent than three (3) per year.

2.07 All funds shall be remitted to the Union Secretary not later than the twentieth (20th) day of the following month for weekly and hourly deductions; together with a list, in duplicate, of the employees covered.

SECTION 3: HIRING PRACTICES

3.01 There will be three (3) classes of employees:

- (a) "Full Time" employees mean those so classified under the terms of the expired Collective Agreement.
- (b) "Permanent Part-time".

(c) All other employees will be classed as “Part Time”.

NOTE:

“Probationary” employees mean those who are undergoing a prescribed probationary period of satisfactory service with the Employer prior to becoming “Full Time” employees.

New hires into the Part Time Classification will have employee status after having successfully completed a sixty (60) “calendar” day probationary period. New hires who fail to perform satisfactorily will not be offered any further hours of work and will be separated from employment. Such decision to terminate will be reduced to writing and will be made with due consideration and not in an arbitrary or discriminatory manner.

During the probationary period the termination of a Part Time Employee shall be at the sole discretion of the employer and may not be made the subject of a grievance or arbitral review.

The Company will deduct a one-time union initiation fee of five dollars (\$5) after the probationary period.

For those employees previously covered under the Warehouse Clerks Agreement, when a vacancy is declared by the Employer, as per guidelines of Appendix “D” in the Main Agreement, the position will be offered to the senior PPT within the Warehouse Clerks Agreement. If there is no PPT available, the Employer may engage a Probationary Employee to fill the position.

3.02 It is recognized by the Union and the Employer that it is to the advantage of both parties to maintain as stable a regular staff as conditions will permit. It is agreed, therefore, that the Employer must be free to employ “Part Time” employees for seasonal, casual or part-time work.

SECTION 4: HOURS OF WORK & OVERTIME CONDITIONS

4.01 Conditions of the Employer's business are such that stores and warehouses must be operated for hours that are longer than the basic hours of work.

4.02 The basic work week shall consist of five (5) eight (8) hour days. Shifts will be scheduled in 30 and 60 minute increments. However, other work days e.g. 4x10 hour shifts, may be scheduled under the following conditions:

1. In consolidated distribution centres.
2. In areas where the company and the union agree locally.
 - Interest Postings will be utilized and the standard term for such postings will be twelve months.
 - Should the extended shift not be filled via the Interest Posting, the company will schedule such assignments by reverse seniority, by inside/outside classification or daily work assignment.
 - Once an Interest Posting is closed and the successful bid(s) awarded, it cannot subsequently be reopened or altered.
 - If an employee withdraws from an Interest Posting that they have been awarded, they will not be reinstated to that posting.
 - In the event there are insufficient applicants to fill the Interest Posting requirements, work will be assigned by reverse seniority, by inside/outside classification or daily work assignment.

It is understood that 4x10 hour shifts may be applicable to Retail as well in areas where the company and the union agree locally.

Where a Full Time employee is not scheduled to 5 x 8 hour days in their seniority group, they will receive preference

over Permanent Part Time and Part Time employees for eight hour shifts known by Thursday for the following week, at single seniority stores within the same Operating Group and within a 40km radius of the employee's base location.

Any time worked in excess of basic hours in any one (1) day shall be paid for at time and one-half of the basic wage rate, and hours worked in excess of eleven (11) hours in a day shall be paid for at the rate of double time. Any time worked in excess of basic hours in any one (1) week shall be paid for at time and one-half of the basic wage rate.

PPT and Part Time employees who are scheduled to 4x10 hour shifts prior to the commencement of the first shift in a week will not access daily overtime until after 10 hours worked in that day.

For those employees previously covered under the Warehouse Clerks Agreement, the basic work week shall consist of forty (40) hours over a period of not more than five (5) days. Any time worked in excess of scheduled hours on any day or in excess of the basic hours in any one (1) week shall be paid for at time and one-half of the basic wage rate.

4.03 During a week in which a paid holiday occurs, the basic hours of work shall be reduced by one (1) eight (8) hour day (or 10 hour day for those employees who regularly work 4x10 hour shifts) for each paid holiday observed.

4.04 An employee will not be paid at the rate of double time or time and one-half and at the rate of time and one-half for the same hour worked.

4.05 Overtime is to be calculated on the following basis:

15 minutes and over equals 1/2 hour;

45 minutes and over equals 1 hour.

4.06

- (a) The employees in any community will have the option of choosing the method to be used to determine the day off. There will be a rotating day off, Monday, through Saturday, throughout the year for all “Full Time” and “probationary” employees. However, employees will retain the present option of choosing, on the present recognized community basis, any other method to be used for determining the day off, providing such method is also agreeable to local management. Full Time employees in Retail will be provided the option of having their shift conclude no later than 6:00 p.m. on the Friday, prior to their scheduled Saturday off. In the event multiple “Full Time” employees are scheduled off on the same Saturday, this option will be provided to employees in their order of seniority based on the availability of shifts. The provisions of this clause shall not apply to those employees regularly employed on a night shift, Draught Equipment Service, Service Person, or to the employees of those stores or distribution centres that are regularly closed on specific days other than Sunday. In Logistics, employees going on night shift will not be scheduled the Saturday prior to the start of the night shift week, unless mutually agreed.
- (b) In cases where more than one (1) employee’s day off falls on a day observed as a paid holiday, they shall be scheduled to another day from among those days available in order of seniority within an occupational group.

4.07

- (a) Sunday Work in Logistics
- (i) Any work performed on a Sunday in Logistics will receive a premium equivalent to ten percent (10%) of their regular hourly rate, excluding line

haul and activity based pay, which will be paid at applicable line haul rates.

- (ii) Where this Sunday work causes the Full Time employee to work more than 44 hours in a week, they will be paid at straight time and will receive on half hour of paid personal time for every hour worked over 44 hours in a week.
- (iii) Sunday shifts beginning at 10:00 pm or later are considered a Monday shift and will be paid at straight time.
- (iv) Where this Sunday work causes a PPT or Part Time employee to work more than 44 hours in a week, the PPT or Part Time employee will be paid time and one half for each hour worked over 44 hours.

Interest Posting will be utilized to determine which qualified DC Full Time employees will be scheduled to this work within the Inside and Outside areas, giving preference by seniority and classification then seniority and qualifications. If not enough volunteers, hours will be scheduled by reverse seniority.

(b) Sunday Work in Retail

- (i) In Retail stores, designated Licensee Pick-up stores and Retail section of Wholesale Retail, Sunday is to be a premium day and the premium to be paid is to be ten percent (10%) of the employee's regular hourly rate.
- (ii) Where Sunday work will cause employees to work more than 44 hours including paid time off in a week, employees will be paid for those hours over 44 hours on the following basis:

- Full Time employees will be paid at straight time and will receive one half hour paid personal time for every hour worked over 44 hours.
- Permanent part-time and Part Time employees will be paid time and one-half for each hour worked over 44 hours.
- Senior employee is to access 8 hour or longest available shift on Sunday, shifts are not to be split to avoid an 8 hour shift.

Sunday work is not considered to be part of the basic work week as described in Section 4.02. Hours worked on Sundays will not be involved in the determination of vacancies.

The company will determine staffing requirements. Available Sunday work assignments known by noon of the Wednesday prior will be offered on a voluntary basis as follows:

First to the retail cashier based in that store. Then, to other Full Time employee(s) by seniority based in that store. Should the retail cashier or other Full Time(s) based in that store decline a shift, the declined shift(s) will then be offered to the Full Time float employee(s) who have expressed an interest in Sunday work.

Subsequent work assignments will then be offered on a seniority basis to the PPT's based in that store, then on a seniority basis to unrestricted Part Time employees, then to restricted Part Time employees based in that store.

Any remaining hours may then be offered to any other Retail Full Time, PPT or Part Time Retail employees.

Local Management and the Union will meet to determine the method of assigning the regular Full Time float employees as per the above.

4.08 It is agreed that it is the function of the Employer to determine when overtime is necessary and to schedule overtime work. However, both parties agree that overtime as such is undesirable, and every effort will be made to keep it to a minimum in relation to the above circumstances.

For unexpected overtime that occurs during the course of the day, the Company will implement and utilize a standard interest posting for overtime work that will be posted in all Logistics' locations. Full Time employees will be required to sign the interest posting and unscheduled overtime will be assigned within the Inside and Outside areas by seniority and classification then seniority and qualifications (e.g. the employee must have the appropriate license for driving). When the Company deems that overtime is necessary, the employee must be immediately available and present when overtime is assigned. Such overtime will be assigned at the end of a shift. The method of posting will be determined locally by mutual agreement.

4.09 It may be necessary for the Employer to schedule an employee to work on what would have been their day off. When an employee is so scheduled and does not wish to work on that day, the Supervisor must be notified promptly that the employee will not be available for the particular assignment. When it is necessary to schedule an employee to work on what would have been their day off, for such assignments that are known by noon the previous day, the Company will schedule the senior employee within the required classification and based in the same store or distribution centre, providing the employee has indicated an interest in such assignments.

For those employees previously covered under the Warehouse Clerks Agreement, it may be necessary for an employee to work on what would have been their day off. However, they may be excused provided that satisfactory arrangements can be made.

4.10 It is agreed that in the case of an employee, or employees scheduled to exceed a basic work day, they must then complete their work schedule. However, they may be excused on presentation of satisfactory personal reasons at the time of being requested to work overtime, or may be released from such work assignments if a satisfactory replacement is immediately available.

4.11 It is agreed that it is the function of the Employer to schedule regular hours of work. On each Wednesday before 12:00 (noon), the schedule of hours to be worked on each day of the following week shall be posted with a copy to the Union on request. This schedule will set out the hours for store staffs or groups (truck crews, etc.) within a distribution centre, and will give particulars of the names of those employees who are scheduled to be laid off or scheduled to report for less than full regular hours, or for work assignments other than regular working hours in lieu of layoff.

It is understood the employees scheduled for full regular hours and those Full Time employees who are scheduled for part time or work assignments other than their regular assignments will be paid for at least the number of hours so scheduled for the week if they are not given the opportunity to work at least the number of hours scheduled for them. Without changing the schedules posted pursuant to the preceding paragraph where because of some emergency situation or because of illness or absence of scheduled employees, an employee may be requested to take over a work assignment different from that posted for them, provided they are given four (4) working hours' notice of such change, and further provided that at least seven (7) hours' time will elapse from the end of the posted assignment to the commencement of the new assignment.

If these two (2) conditions are not met, the employee shall be paid at the rate of time and one-half for all hours worked out of their regular hours on the first day worked on the

new assignment. However, the penalty shall not apply when they revert back to their regular assignment.

4.12 “Full Time” and “probationary” employees who are not on layoff status will not be employed on a split shift basis, i.e. will be scheduled for nine (9) consecutive hours including lunch period.

For those employees previously covered under the Warehouse Clerks Agreement, “Full Time” and “probationary” employees who are not on layoff status will not be employed on a split shift basis, i.e. will be scheduled for consecutive hours including lunch period.

4.13 “Full Time” employees and “probationers” will be given work assignments which permit them to take one (1) hour off for lunch at a reasonable time each day. (Except by mutual agreement, the lunch period will not start earlier than the beginning of their fourth hour of work and will not start later than the end of their fifth hour of work.)

4.14

(a) When Part Time (permanent part-time or part-time) employees fill vacancies or work hours created due to the absence of Full Time employees the more senior unrestricted Part Time employee shall be offered the work provided the employee has the skill and ability to perform the work.

In Logistics divisions, unrestricted employees are defined as those who are available for any and all work assignments during the basic work week exclusive of Sundays.

In retail stores, unrestricted employees are defined as those who are available for any and all work assignments from Thursday 5:00 p.m. through Saturday 11:30 p.m.

Newly hired Part Time employees will be considered to be restricted until April or October following the

completion of their probationary period when they may exercise their option to restate their availability to unrestricted.

Availability Forms are to be completed by each Part Time employee in April and October of each year. Copies of Availability Forms will be provided to the Union upon request. All stores and DC's will post and maintain the lists of unrestricted and restricted employees.

Part Time employees may change their "unrestricted" status to "restricted" status at any time. An employee who becomes restricted will be allocated hours of work among restricted employees in accordance with their date of hire.

Part Time employees may change their "restricted" status to "unrestricted" status in April or October only. An employee who becomes unrestricted will be allocated hours of work among unrestricted employees in accordance with the date they became unrestricted.

A Part Time employee who transfers to another store will be placed at the bottom of the restricted list in that store. The date of transfer will be considered as date of hire for the purpose of allocating hours of work. A Part Time employee who transfers to another store due to store closure will be placed on the seniority list appropriate to their date of hire for the purposes of allocating hours of work in that store, after thirty (30) calendar days.

The employee will retain rate of pay status at the time of transfer.

- (b) Permanent part-time and part-time employees shall be afforded the opportunity to schedule vacation in accordance with their seniority.

- (c) All part-time employees shall indicate their availability on forms provided by the Company at 6 month intervals (April and October). These forms will be kept on file in each location. In response to scheduling concerns, access to these forms will be made available by the Supervisor at that location for review by the union representative.
- (d) Permanent part-time employees must remain unrestricted. All part-time employees who are unrestricted shall receive preference over restricted part time employees for available hours of work.
- (e) When the schedule is posted, a junior permanent part-time or part-time employee shall not be scheduled to work more hours, Monday to Saturday, than a senior permanent part-time or part-time employee based at the same location. Hours worked in other locations outside their base location will not be counted as hours worked for this provision.
- (f) Where additional hours are created in addition to the original schedule due to absenteeism, emergencies, unforeseen conditions, etc., these hours shall be assigned by the Store Manager.
- (g) Part Time employees, who report for their scheduled shift and are not required to complete their shift, will work a minimum of three (3) hours or will be paid three (3) hours pay at their classified rate in lieu thereof.
- (h) When the availability of an unrestricted Part Time employee changes for a period of greater than 30 consecutive days for reasons other than illness or injury, that Part Time employee shall be considered to have restricted availability. Should that same Part Time employee's availability revert to unrestricted at a later date, their seniority date, for the purposes of schedul-

ing, will be that date when they reverted to unrestricted availability.

- (i) Three (3) hours will be the minimum length of scheduled shifts for part time employees. The Employer will also be required to pay wages to the part time employee for three (3) hours of work if the shift is cancelled within 24 hours of the scheduled start time, unless due to emergency or unforeseen circumstances.

4.15 Employees who are called back for overtime resulting from an emergency situation, after having gone home or on day off, will be paid at appropriate overtime rates with a minimum payment of \$30.00 for each callback and will be reimbursed mileage where applicable.

SECTION 5: WORKING CONDITIONS

5.01 Supervisor and above will not physically handle goods in distributing warehouses, retail and wholesale sections, except for the purpose of spot checks, audits, inventory control, training and demonstration.

5.02 The Manager shall be free to perform any duties which may be necessary to maintain the Store operation.

5.03 Removed as of 2008

5.04 The Draught Equipment Service Supervisor shall be free to perform the duties of a Service Person during emergencies, installations, maintenance, etc.

5.05 The delivering of large kegs (58.6L, 50L) shall have help supplied to load and unload except where manipulation of these kegs is not required. In those instances, one person may be assigned to complete the delivery. Double decking of large kegs will not occur on one person deliveries. The Company should have the discretion to identify deliveries where additional help is required. Where there is

an issue in dispute, the matter will be referred to the local JHSC for resolve. Where there is no JHSC or no resolve at the local level, the matter will be referred to the PJHSC. Manipulation is defined as: deliveries involving large kegs being moved up/down stairs or bumped down from conventional/straight trucks unless equipment is provided.

Prior to any new equipment being implemented, the Union, the Company and the PJHSC will agree to meet to assess safety, operational efficiency and suitability.

- Interest Postings will be utilized and the standard term for such postings will be twelve (12) months.
- Once an Interest Posting is closed and the successful bid(s) awarded, it cannot subsequently be reopened or altered.
- If an employee withdraws from an Interest Posting that they have been awarded, they will not be reinstated to that posting.
- In the event there are insufficient applicants to fill the Interest Posting requirements, work will be assigned by reverse seniority.

5.06 “Full Time” or “probationary” employees who may be transferred for a continuous period of eight (8) hours or more to higher classifications as specified in this Agreement, will receive the higher rate while so occupied. However, an employee who is transferred to a higher classification for four (4) or more hours to take over an assignment of an employee who is unable to complete their assignment because of illness, accident or approved leave of absence, will receive the rate of the higher classification while so occupied.

When a “Full Time” or “probationary” employee, for physical or licensing reasons, is employed in a lower clas-

sification, they will receive the rate of pay for the lower classification while so employed.

Unless there is a mutually agreed practice, when preparing the work schedule for a store or distribution centre in a community as per Section 4.11 on Wednesday for the following week or when filling predicted assignments during the week, providing they are known by noon the previous day, the Company will, if it is necessary to make assignments in a higher rated job for eight (8) hours or more, assign Full Time employees from that community in preference to Part Time employees providing the Full Time employee has the ability and has expressed an interest and is not required in another assignment.

Further to the above paragraph, in the instance where a Full Time employee has the ability and has expressed an interest and is required in another assignment, the Full Time employee will receive the rate differential.

This will not constitute a requirement on the Employer to schedule overtime.

5.07 Notification to Union: the Company will adhere strictly to the application of this Section, meaning if an employee is designated to perform duties due to a Manager's absence this shall not trigger the advancement of another employee to a higher wage classification.

When required employees may perform functions as a relief Cashier for normal relief periods such as the Supervisor's day off or vacation period. They shall receive \$3.00 in addition to their regular rate for each day on which they perform functions as a relief Cashier for at least four (4) hours up to six (6) hours; and \$5.00 for each day on which they perform functions as a relief Cashier in excess of a total of six (6) hours. These extra payments are to be in addition to their regular rate of pay. This premium shall not be used to calculate overtime, premium pay for paid holidays and insurance coverage.

Employees in the Part Time Classification who perform duties as a relief Cashier for 8 hour shifts will be paid PPT rates while so occupied.

A “driver trainer” premium of \$2/hr will apply to qualified driver trainers for all straight time hours worked. Notwithstanding this provision, the premium will be applied to any overtime hours during which a “driver trainer” is training drivers.

A “lift truck” training premium of \$1 per hour will apply to qualified lift truck trainers for their full shift when performing such functions.

5.08 For periods other than those described above, upon notification by the Employer, employees will be granted acting Supervisory status. When employees have been granted acting Supervisory status, the provisions of this Collective Agreement will not apply.

5.09 A “Full Time” or “probationary” employee on lay-off or short time shall be recalled for the day, if their recall would result in an employee qualified to drive being made available to operate:

- (a) available equipment owned by the Employer;
- (b) other suitable equipment which the Employer can rent without a driver at a rate* which is reasonable. Where there are prevailing rates for such rental equipment in any community they shall be used to determine what is a reasonable rate.

* This rate refers to the cost of procuring the trucks for the use of the Employer and has nothing to do with the cost to the Employer of the employees to whom it is assigned.

5.10 All retail locations with Full Time staff will have a minimum of one (1) Retail Cashier based in that location.

5.11 In the event of additional shifts becoming available, Management contact the Employees at the closest store by seniority, unless an emergency situation arises.

5.12 All retail employees are to be trained on machine handling equipment, and all employees who are willing will be trained on closing procedures on company time within the first sixty (60) days following the completion of their probation.

5.13 For those employees previously covered under the Warehouse Clerks Agreement, this section does not apply. Substitute: “The previous practice of Supervisors and office staff performing duties of the Warehouse Clerks during emergencies, relief periods, training, and to assist during peaks will be continued.” When a Clerk “B” or a Clerk Level 5 (Toronto only) is transferred for a full shift to a higher Classification, they will receive the higher rate while so occupied.

SECTION 6: SENIORITY

6.01 The seniority of each “Full Time” and Permanent Part Time employee shall be as set forth in the present seniority lists.

For those employees previously covered under the Warehouse Clerks Agreement, the seniority of the Warehouse Clerks shall be recognized as a separate group and listed on Appendix “B”, Stoney Creek Warehouse Clerks, Ottawa Warehouse Clerks, Brampton Warehouse Clerks, Whitby Warehouse Clerks”. Provided that while any clerk is on layoff, they will also be on the Metro Seniority List in their community as a Full Time employee with full recall rights.

6.02 Removed as of 2015

6.03 Seniority shall be recognized within seniority lists as set out in the appendix to this Agreement, but may only be changed by mutual agreement.

6.04 Removed as of 2015

6.05 Removed as of 2015

6.06 Within each seniority group in the matter of promotions, demotions, layoffs and recalls after layoffs, seniority shall govern provided the senior employee has the qualifications and ability to perform the work. The Employer shall continue its present practice with respect to job posting.

6.07 An employee shall lose their seniority for any of these reasons:

- (a) if an employee is discharged for just cause;
- (b) if an employee voluntarily leaves the employ of the Employer;
- (c) if an employee fails to notify the Employer accepting return to work within seventy-two (72) hours of recall notification by registered mail at the last address on file with the Employer, and failure to report to work within seven (7) days of acceptance of recall.
- (d) If an employee has been absent from work for three (3) months, other than for injury, illness, on an approved leave, or should the hours not be available.

6.08 An employee who is transferred from positions not subject to the provisions of this Agreement, shall, if transferred to the bargaining unit, have their name placed on the seniority list and shall outrank any new addition to the list made under the provisions of Section 3 and at the end of twelve (12) months will be given seniority equivalent to their total service with the Employer, to be effective when a vacancy exists.

However, in the case of an employee who has been in the bargaining unit and has been in a position outside the bargaining unit for one hundred thirty-two (132) days or less, they will be given seniority equivalent to their total service with the Employer at the time of their transfer back into the bargaining unit.

6.09 The Guaranteed Wage Plan, which is a supplement to this Agreement, is intended to provide assistance for those eligible employees who have one (1) or more years of seniority who are laid off as a result of the application of the above clause, and it is not to be construed as authorization to alter existing layoff and recall provisions.

6.10 Persons hired as Full Time employees after March 21, 1988 who have achieved seniority and who are not yet eligible for participation in the Guaranteed Wage Plan will, upon permanent layoff, be eligible to receive an amount of severance pay equal to two (2) weeks of regular pay for each completed year of service as of the original date of their layoff. Upon receipt of such severance pay, the employee's employment is terminated and their seniority and other rights under this Agreement are cancelled.

6.11 Should a declared position open within a seniority group, interested Full Time employees in outside seniority groups will be given priority by seniority and qualifications for hiring before making a new hire from outside the bargaining unit.

SECTION 7: LAYOFF AND RECALL

7.01 In the event of the curtailment of business or in the event of changed conditions which will cause a shortage of work, the Union will be given reasonable notice of the Employer's intention to lay off Full Time employees or to schedule some of them for less than full time hours or for hours other than regular hours in lieu of layoff.

This notice will permit discussion of the problem and provide an opportunity for either the Union or the Employer to make suggestions which could eliminate or reduce the extent of the layoff or short time situation anticipated, such as a change in the system of days off or additional paid vacation days, in lieu of vacation bonus. Following such meeting, the Employer shall promptly advise those employees who are likely to be laid off or scheduled for short time or for other than regular hours.

7.02 Where such curtailment of business or changed conditions are likely to cause layoff or short time work assignments for employees in several seniority groups covered by this Agreement, then the Employer shall discuss the problem with Union 12R24.

7.03

- (a) A Full Time employee who is scheduled for less than regular hours or for assignments other than normal hours in a week must accept all reasonable short time work assignments in the seniority group unless:
- (i) they have filed a letter indicating that they decline work for the period of the anticipated work shortage; in such cases they will be deemed to have taken leave of absence and to have opted out of the G.W.P. until they indicate by letter that they are again available for short time work assignments, or
 - (ii) unless they have filed a letter indicating that they will accept limited work assignments only, specifying days and locations, and such an employee must accept all reasonable short time work assignments for which they have indicated that they will be available, and with respect to any hours for which they have indicated that they are not available they will be deemed to be on

layoff, but not eligible for G.W.P. payments for those hours.

- (b) An employee who has not filed such a letter is presumed to be available for all reasonable short time assignments within their seniority group. An employee who refuses to accept or fails to report for a scheduled assignment without reasonable excuse shall be struck off the schedule for the week, and will not be scheduled for any subsequent weeks until they notify the Employer in writing that they will be available for reasonable short time work assignments, and until they do so they will be deemed on layoff but not eligible for benefits under the G.W.P.
- (c) A Full Time employee who is laid off shall be carried on the seniority list for a period equal to the seniority they have accumulated at the time the layoff commences up to a maximum of two (2) years calculated from their last day at work.
- (d) Full Time employees who are scheduled to work any hours in any week will continue to be eligible for Weekly Indemnity coverage except that the benefit for a Full Time employee who has filed a letter indicating that they will accept only limited work assignments, will be limited to an amount not in excess of 70% of the hours for which they have made themselves available.

Employees who are laid off and who are not scheduled for any work in a week are not eligible for Weekly Indemnity payments during any such week.

However, an employee already in receipt of Weekly Indemnity benefits before they are actually laid off or scheduled for short time assignments will continue to draw benefits for the duration of their illness or up to the maximum allowed by the Plan.

An employee's eligibility for personal leave and participation in the Weekly Indemnity and Long Term Disability Plans ceases immediately upon their lay off and is reinstated upon their recall to work and completion of eight (8) hours' work in the Bargaining Unit.

Notwithstanding the above, an employee with ten (10) or more years' seniority who is laid off, and who, if recalled within two (2) weeks or less, is unable to report to work due to sickness or non-occupational accident, shall be eligible for participation in the Weekly Indemnity and Long Term Disability Plans effective the date of their recall.

7.04 When a vacancy is declared on a seniority list which is not otherwise filled, a Full Time employee on layoff or who has been scheduled for less than the regular work week will be offered a transfer under the following conditions:

- (a) the employee must have the ability and physical fitness for the position that is open;
- (b) the employee must transfer voluntarily at their own expense;
- (c) the employee must accept the rate that is applicable to the vacancy;
- (d) if a vacancy is not filled within seven (7) days, the company shall offer transfers to employees from over-staffed areas on an expanding geographic basis as follows:
 - (i) Neighbouring Seniority Groups
 - (ii) Provincially
- (e) the transferring employee will retain their existing seniority on the seniority list of the area to which they have been transferred.

SECTION 8: GRIEVANCE PROCEDURE & ARBITRATION

8.01 The Employer guarantees to every employee covered by this Agreement that their status will not be prejudiced in any manner due to the fact that they have taken the action of carrying grievances to higher management levels when there has been failure to settle their complaints or grievances satisfactorily through their immediate supervisors.

8.02 The procedure for the discussion of any questions or problems which might arise concerning working conditions shall be as follows:

Step No. 1:

By discussion between the employee concerned jointly with their Union Representative, the Supervisor, or Manager.

Step No. 2:

The grievance shall be reduced to writing at Step 2, and will be filed directly to the Employee Relations Department. It shall then be discussed between the employee concerned jointly with the Vice-President, or their Union Representative, the Manager and/or District Manager or General Manager.

Where the Manager mentioned in Step 1 reports directly to the Regional Director, the Manager will act for the Company in both Steps 1 and 2, and, where mutually agreeable, both Steps may be handled at the same meeting.

Step No. 3:

Between the employee concerned jointly with the Vice-President, a Union Representative, the Manager and/or General Manager or District Manager and Employee Relations.

8.03 Should the matter not be settled within fifteen (15) days of the date the written grievance is filed or such longer time as may be mutually agreeable, the issue may be submitted to Arbitration as provided by this agreement.

Grievances will not be submitted to arbitration if nine (9) months have elapsed from the date a third step meeting is held. The time limits may be extended by mutual written agreement. No reasonable request will be denied.

Arbitration hearings will be held in one of the following locations: Ottawa, Sudbury, Toronto and Windsor. The locality to be selected by mutual agreement, however, failing agreement, the Chairperson shall set the place for the hearing.

8.04 Should the matter at issue involve the misinterpretation or alleged violation of the Agreement, either party shall have the right to submit the matter to an Arbitrator. In the event the parties fail to agree upon an Arbitrator, the Minister of Labour for the Province of Ontario shall be requested to name a person to act as Arbitrator.

The decision of the Arbitrator shall be final and binding on both parties to this Agreement.

The Arbitrator shall not have any jurisdiction to alter or change any of the provisions of this Agreement nor to substitute any new provisions in lieu thereof, nor to give any decision inconsistent with the terms and provisions of this Agreement.

The parties will jointly bear the expense of the Arbitrator.

SECTION 9: PAID HOLIDAYS

9.01 The Company will observe the following holidays, namely:

New Year's Day
Family Day
Good Friday
Victoria Day
Canada Day

Labour Day
Thanksgiving
Christmas Day
Boxing Day

Civic Holiday, when it is locally observed, and any other days on which the Liquor Control Board directs the Company to close its operation.

NOTE:

Civic Holiday will be scheduled in accordance with Article 4.07 (Sunday Work in Retail).

Should the Company be allowed to remain open on Easter Monday, another day off will be scheduled on an individual basis to suit the operation (not necessarily in the same week).

9.02 A “Full Time” or “probationary” employee shall be credited eight (8) hours at straight time for the holiday if they do not work on the holiday, provided they were not absent on the last workday scheduled for them before the holiday and/or the first workday scheduled after the holiday; unless excused by prior authorizations by the Company or unless the absence is the result of illness or accident (including WSIB) supported by acceptable medical evidence.

A Full Time employee who is absent from work on an approved Weekly Indemnity Claim will be topped up to 100% of their base rate of pay for each statutory holiday that falls within their approved claim period.

An employee who is scheduled to a combination of vacation bonus days, lieu days, float days, paid union time or scheduled personal leave days that totals four (4) during the week in which a paid holiday occurs will be credited eight (8) hours at straight time for the holiday.

9.03 If it is necessary for any Full Time or probationary employee to work on any such day, they shall receive premium pay at the rate of double time for hours worked on that day. Part Time and Permanent Part-Time employees shall receive double time for actual hours worked. They will be scheduled to a minimum of three (3) hours.

Work on Statutory Holidays will be on a voluntary basis; that is, employees have the right to refuse. It is understood, however, that where this creates staffing problems, employees may be scheduled by reverse seniority to work on the Statutory Holiday.

It is understood that, for the purposes of this Section, Holidays will be deemed to commence at 10:00 p.m. on the day immediately preceding the Holiday and will conclude at 10:00 p.m. on the day of the Holiday.

9.04 A “Full Time” or “probationary” employee who completes at least one (1) scheduled eight (8) hour shift or works a total of twelve (12) hours in the first full week of November each year, including those on approved time off and/or union business that week, will receive one (1) day off with pay to be scheduled in the period November 1 to December 15 or January 1 to May 31 inclusive. In the event that the employee’s regular work location, either retail store or Distribution Centre, is scheduled to be closed on Remembrance Day, November 11, and as such the employee is scheduled for less than a full work week, this day with pay will apply to November 11.

A “Full Time” or “probationary” employee who completes at least one (1) scheduled eight (8) hour shift or works a total of twelve (12) hours in the week that January 2nd falls, including those on approved time off and/or union business that week, will receive one (1) day off with pay to be scheduled in the period January 2 to May 31 inclusive.

Should float day credits not be scheduled within the prescribed timelines outlined above, they will be scheduled immediately or paid out on the next pay period.

9.05 Statutory Holiday pay for Part Time employees will be administered according to the terms and conditions of the Employment Standards Act.

**SECTION 10:
VACATION PLAN**

10.01 Vacation Leave

On May 1st in each year vacation leave will be established for all Full Time employees according to the following scale:

| Full Time Employee Seniority as of May 1 | Vacation Entitlement with pay |
|--|--------------------------------------|
| Full time after Oct 1 of prior year* | 4% of earnings to May 1 |
| Full time prior to Oct 1 of prior year – 2.99 years* | 2 weeks (80 hours) |
| 3 years – 7.99 years | 3 weeks (120 hours)* |
| 8 years – 14.99 years | 4 weeks (160 hours) |
| 15 years – 19.99 years | 5 weeks (200 hours) |
| 20 years – 24.99 years | 6 weeks (240 hours) |
| 25 years + | 7 weeks (280 hours) |

*6% (Equivalent to 3 weeks) of earnings to Jan 1 if employed 5 years with the company.

- (a) The initial establishment of the fourth, fifth, sixth and seventh week of vacation will be made with reference to the employee's seniority anniversary date as though established as of May 1st.
- (b) No vacation leave will be established for those employees who are absent because of illness for more than twelve (12) months on May 1st.
- (c) Any employee who is absent due to illness shall arrange with their Manager/Supervisor to use any prior years' vacation allotment upon their return to work from illness.
- (d) New Full Time employees as of January 1, 2022 will not be eligible for the seventh week of vacation.

10.02 Vacation Time

Summer vacation shall be limited to two (2) consecutive weeks which shall be scheduled from the first Monday in June to September 30th. Additional vacation leave can be scheduled during the balance of the year. Holidays may be broken into single weeks.

Vacations are to be granted by seniority and within occupational groups where applicable.

All vacation leaves must be taken within twelve (12) months after they have been established on any May 1st, and except as provided in Section 10.03, an employee is not to remain at work during a vacation leave.

If a paid holiday occurs during an employee's vacation leave, an alternative day off may be requested by the employee. Such a request will not unreasonably be denied, however, approval will be subject to the needs of the operation. The day must be taken within six months of it having been earned. (The employee will have three months during which to request and arrange a day off after which the company will schedule the day off at its discretion. Should the day off not be taken within the six month period it will be paid out to the employee at the employee's classified hourly rate).

10.03 Vacation Pay

For each week of vacation leave an employee shall receive forty (40) hours' pay at their current hourly wage rate, except that with respect to the first two (2) weeks of vacation taken after May 1st in any year payment shall be at the rate of 4% of earnings during the twelve (12) month period preceding May 1st if the employee has lost fifty (50) days or more in the said twelve (12) month period because of layoff or other absence not due to illness or accident.

Provided further that in the case of those Full Time employees who have less than twelve (12) but more than sev-

en (7) months' service as Full Time employees on May 1st in any year the fifty (50) working days shall be prorated to their actual length of service as follows:

| | |
|-----------|---------|
| 7 months | 29 days |
| 8 months | 33 days |
| 9 months | 37 days |
| 10 months | 42 days |
| 11 months | 46 days |

An employee who is to be paid on a percentage basis for their first two (2) weeks of vacation may elect to remain at work and receive the 4% payment without taking any time off.

For those Full Time employees who receive their initial two (2) weeks' vacation under this plan the payment therefore in the amount of forty (40) hours' pay at their current hourly rates shall include any percentage payments earned by them during the twelve (12) month period prior to May 1st.

- (a) Permanent Part-Time and Part Time employees shall be entitled only to vacation pay in accordance with provisions of the Ontario Employment Standards Act. In April and October of each year, Permanent Part-Time and Part Time employees will be provided the option to bank their vacation pay. In the event an employee has banked their vacation, they may withdraw the entire outstanding amount at the end of May in each calendar year. Any outstanding balance will automatically be paid to employees in the final pay period in December. Any employee who does not choose to bank their vacation pay will have it paid out each pay period.
- (b) When an employee is in receipt of Weekly Indemnity Benefits during a period in which they have scheduled

vacation, upon receiving notification of their ability to return to work these vacations will be rescheduled.

Should the employee's disability continue into Long Term Disability (52-103 weeks), upon receipt of notification of their ability to return to work outstanding vacation credits will be rescheduled.

Should an employee's disability continue into "hard" Long Term Disability (at 104 weeks), all outstanding vacation credits will be scheduled prior to the commencement of "hard" Long Term Disability benefits.

10.04 Vacation Bonus

For employees who are PPTs at April 1, 2013, in addition to the normal vacation pay provided by Section 10.03, a vacation bonus for certain employees will be established on May 1st of each year when vacation leaves are established assuming that all such vacation leaves will be paid for on the basis of wage rates then in effect.

This bonus will be available for payment in a lump sum at the same time as the payout for personal leave credits based on an 8 hour day.

In locations where a shortage of work is predicted, employees may be scheduled to take time off rather than the payment of cash vacation bonus by mutual agreement with the Union.

On May 1st a vacation bonus will be established for those who have three (3) or more years of seniority on that date. The amount of the vacation bonus is to be 20% of the normal vacation pay, with a minimum of one (1) week's pay for those Full Time employees who had twenty (20) years or more of seniority.

If taken in time, the vacation bonus will be scheduled by the employee with prior notice according to the needs of the operation.

10.05 Vacation Payment On Termination

All terminations shall be handled on the following basis:

- (a) Employees who had received their vacation earned as of May 1st prior to termination shall receive a pro rata payment from May 1st to date of termination as follows:

| Amount of vacation entitlement | Prorated payment owing |
|---------------------------------------|-------------------------------|
| 2 weeks | 4% |
| 3 weeks | 6% |
| 4 weeks | 8% |
| 5 weeks | 10% |
| 6 weeks | 12% |
| 7 weeks | 14% |

- (b) In addition to the above, employees will receive a payment equal to any remaining vacation entitlement unused.
- (c) Permanent Part-Time and Part Time employees who have elected to bank their vacation payments, will have any outstanding balance paid to them.
- (d) An employee, on termination, shall receive any vacation bonus to which they are entitled.

SECTION 11: PERSONAL LEAVE

11.01 Personal leave is intended to provide protection for employees from loss of pay due to illness or any other reason required to satisfy other personal reasons. Personal leave time off, except in illness/emergency situations, must be scheduled with prior notice according to the needs of the Operation. No reasonable request will be denied. Current local reporting procedures remain in place.

11.02 Personal leave is to be granted to “Full Time” employees on the following basis:

- (a) Forty-eight (48) hours shall be credited to the personal leave bank each year for each “Full Time” employee who worked prior to January 15th of that year.
- (b) On January 15th for the purpose of personal leave credits only, “Full Time” employees on “short time” by being scheduled to work three (3) days or more in each week that month shall be considered as “Full Time” regarding personal leave provisions only.
- (c) “Full Time” employees shall be granted four (4) hours’ personal leave for each calendar month of full time employment for the year in which they were hired full time, retroactive to the commencement of their full time seniority date.
- (d) “Full Time” employees on layoff, who had not received their personal leave credit for that year and are recalled to “short time” (as defined above), shall receive four (4) hours’ personal leave for that month and for each month remaining in the calendar year provided they work a minimum as outlined in (b) above.
- (e) “Full Time” employees on layoff who are employed on a casual or part-time basis shall not qualify for personal leave credits. For the purpose of this article, “casual or part time” is defined as less than “short time” as defined above.
- (f) “Full Time” employees who have been absent due to illness for less than twelve (12) consecutive months shall be credited with forty-eight (48) hours’ personal leave on January 15th.
- (g) “Full Time” employees who have been absent for a period greater than twelve (12) months shall be granted four (4) hours personal leave for each calendar

month of active employment for the year in which they return.

11.03 Any unused personal leave credits as of December 1st, may be paid out by December 20th up to a maximum of 48 hours. Any unused personal leave credits as of December 31st will be carried over to January 1st of the following year. These credits must be exhausted by April 30th of that year. Any credits not exhausted as of April 30th, will be scheduled by the Company as soon as possible thereafter.

SECTION 12: BULLETIN BOARDS

12.01 The Company agrees to provide bulletin boards in all stores and distribution centres for the use of the Union to post notices of Union activities. All notices must be signed by a proper Officer of the Union, and, other than routine meeting or business notices, must be approved by the Employer before posting.

SECTION 13: EMPLOYER/EMPLOYEE RELATIONSHIP

13.01 Employees shall conduct themselves in an orderly and respectful manner when addressing the Employer or its representatives. The employee or their representatives shall receive fair and courteous treatment from the Employer or its representatives. The Employer or its representatives (including Managers and Supervisors) will exercise their management rights in a non-arbitrary and non-discriminatory manner during their relationship with bargaining unit employees.

The Beer Store is committed to maintaining a positive relationship with all employees founded on honesty, integrity and respect.

SECTION 14: LEAVE OF ABSENCE

14.01 The Employer may grant leave of absence without pay to any employee for legitimate reasons, such permission and request to be in writing. When such permission is granted, there shall be no loss of seniority for the time absent. The Employer to notify Union in writing of all requested leave of absences. If the request is not granted, reasons for refusal will be included.

If such leave is for purposes of conducting Union business, the employee requesting the leave will, whenever possible, provide to the Company with written reasons in advance in support of the request for leave. If they are unable to do so, they shall provide written reasons in support of the leave request immediately upon their return.

14.02 Where leave is requested by an employee who has become an official of the International Union or of Local Union 12R24, the Union will provide the request in writing and the employee will retain their seniority for the duration of their leave.

14.03 Effective January 1, 1979, and upon written application by Local Union 12R24, the Company agrees to grant an education leave of absence, without loss of regular pay, not to exceed three (3) normal working days in any one (1) year, to elected Union Representatives as agreed between the parties, to a maximum of one hundred (100) days per annum. Such educational leave will be so arranged between the Union and the Company so as to minimize disruption of the Company's operations.

14.04 An employee will be eligible for an unpaid leave of absence in order to provide service, active duty to the military or to be a candidate for election to full time office in Federal, Provincial, or Municipal elections. An employee who is elected to public office (municipal, provincial, or

federal) will be granted a leave of absence, without loss of seniority, for the duration of the first term for that office.

Should the employee run for and be elected to a second consecutive term, the leave of absence will be withdrawn and employment will be terminated.

During such leaves, the terms and conditions of the Collective Agreement will not apply. The employee will continue to accrue service during the period of the approved leave.

SECTION 15: JURY DUTY

15.01 Effective with the signing of this Agreement, under the following conditions, an employee will be compensated for days actually spent on jury duty, or as a witness to give evidence in a case arising out of the sale of brewery products, or as Crown-subpoenaed witnesses (up to a level equivalent to eight (8) hours or ten (10) hours as it applies of straight time pay at the employee's regular wage rate for time lost due to such subpoenas). This will include attendance as a witness on an employee's day off or during an employee's vacation.

15.02 An employee will receive the difference between their jury fees and their regular earnings (excluding overtime and shift differentials) which they would have received for regularly scheduled work days on which they would actually have worked if they had not been serving jury duty, or as a witness as contemplated in Section 15.01.

15.03 No payment shall be made for any hour for which the employee receives compensation by the Employer for any other reason.

15.04 The claim must be verified to the Employer's satisfaction.

15.05 An employee shall be required to report immediately upon being excused or released from jury duty, or as a witness as contemplated in Section 15.01, at which time they will be notified whether or not they will be required to report for work that day.

SECTION 16: BEREAVEMENT ALLOWANCE

16.01 “Full Time”, “probationary” and “PPT” employees will be granted bereavement allowance under the following conditions:

Should a bereavement occur in an employee’s immediate family (members of their household, parents, siblings, parent-in-law, child-in-law, grandchild) the employee may request a bereavement leave and shall be granted such time off with pay as is reasonable under the circumstances to enable them to look after the funeral arrangements or to attend the funeral. The extent of leave shall be in the discretion of the Employer, depending upon the time of the bereavement in relation to their regular time off, the distance to be travelled, etc. The general standard of bereavement time off shall be three (3) consecutive days. Providing prior permission is received in the event an employee attends the funeral of a sibling-in-law, grandparent or spousal grandparent, on a regular scheduled work day, one (1) day off with pay shall be granted. (Include step equivalents to those listed above).

For part time employees who are on the posted schedule, the equivalent of three (3) days bereavement allowance will be provided for a death in their immediate family. (Include step equivalents to those listed above).

In the event that there is no traditional funeral, the standard bereavement allowance will be applied to gatherings such as but not limited to Celebrations of Life or Family Internments at a later date.

SECTION 17: REST PERIODS

17.01 Employees will be granted two (2) rest periods of fifteen (15) minutes in each working day on the following basis:

NOTE:

For employees who work 10 hour shifts, employees will be granted two (2) rest periods of twenty (20) minutes on each working day.

17.02 In distribution centres and wholesale sections, rest periods will be taken two (2) hours after starting and seven (7) hours after starting.

17.03 For retail store employees, truck crews, and employees previously covered under the Warehouse Clerks Agreement, the two (2), fifteen (15) minute rest periods will be mutually agreed upon. However, in retail stores where only one (1) employee is on duty, the formal rest period will be banked and paid out on a monthly basis.

17.04 Rest periods are designed to provide employees with the opportunity to rest and prepare themselves for the next portion of their shift. TBS Retail is an environment where customer flow is occasionally unpredictable and the opportunity may not exist for a full rest period during a working shift.

Every effort should be made to allow employees to take rest periods in accordance with the collective agreement. When extenuating circumstances prevent an employee from receiving the appropriate rest period, the employee will be compensated in pay or time off.

This is not meant to alter current arrangements between store management and employees which are satisfactory to the employees and the operation.

Where a dispute arises with regard to formal rest periods in stores where there is only one employee on duty, the issue will be investigated and where it is determined that the employee missed a break, the employee will be compensated in pay or time off.

Should the matter not be resolved to the satisfaction of either party, representatives of Local 12r24 and the Employee Relations Department may be requested to assist.

Full Time Employees

Full Time employees are entitled to a fifteen minute paid rest period during each portion of their shift.

Part Time Employees

Part Time Employees are entitled to a fifteen minute paid rest period during shifts of four hours or longer.

e.g.

Shift of four (4) but less than six (6) hours – 15 min. paid rest period

Shift of six (6) hours or more – 15 min. paid rest period in each portion of their shift

Clarification

- (1) In stores where only one employee is on duty, employees will waive the formal rest period. It is expected that employees will be able to take informal rest periods during the working shift. If, due to business circumstances, the employee is unable to take an informal rest period the employee should advise the store manager and the employee will be compensated for the missed rest period in either pay or time off.
- (2) In stores where more than one employee is on duty and due to business circumstances the employee is unable to take a rest period in accordance with the collective agreement, the employee will be compensated for the missed rest period in either pay or time off.

SECTION 18: UNIFORMS

18.01 The company will provide uniforms to all active Full Time and PPT employees as set out in appendix “C.” Employees are required to report for work in provided uniform, clean, presentably, and respectfully dressed, and ready to meet the public. The total cost of the designated, company provided uniform, to be borne by the employer. The employer will require the employee to replace, at their cost, any shortage in their issue for which they are personally responsible, and cannot furnish a satisfactory explanation. The Union will be consulted prior to any change in the scale of the issue. The total cost of the uniforms and dry cleaning to be borne by the employer. Employees, in both logistics and retail, will not be prohibited from wearing Company provided hats, headwear, or facemasks.

The Company agrees to provide three shirts (long sleeve, short sleeve, polo golf shirts, or t-shirts) per year for each Part Time employee who has one year or more of continuous service and has completed 500 hours work in that year. Logistics employees may substitute one regular shirt for two (2) t-shirts.

In addition, in those years when the uniform is issued, the Company agrees to provide a fleece sweater (long sleeve or sleeveless) for each Part Time employee who has one year or more of continuous service and has completed 500 hours work in that year.

The determination of allocation of the Part Time uniform shirts will be reviewed at each Appendix “D” meeting.

18.02 Rubber, leather, or canvas aprons, gloves and rubber boots will be supplied when and where, in the opinion of the Employer, they are necessary.

18.03 Uniforms up to the agreed scale of issue and/or equipment supplied to employees must be returned to the Employer when employees leave.

18.04 Employees must report for work wearing approved safety shoes. Exceptions to the compulsory program will only be allowed upon presentation of satisfactory medical evidence. Safety shoe reimbursements will only be provided to active employees.

18.05 Effective January 1, 2022, the Company will provide \$40 towards the purchase of Safety Footwear per year for each Part Time employee who has one year or more of continuous service, and has completed 500 hours work in that year.

18.06 New Full Time employees will receive 130 points. Uniforms shall be received no later than June 30, every second year. Replacements of worn or torn clothing will be made on the recommendation and approval by Management.

The employer will reimburse \$150 for Canadian Safety Association approved safety footwear to active Full Time employees and PPTs upon receipt once per calendar year.

19.01 The Employer shall provide an insurance and hospitalization plan, as agreed upon, for its employees and particulars of the benefits will be issued in a separate booklet. The benefits provider will pay the employee's chosen pharmacy directly for the total cost of prescriptions that the pharmacist charges, less only the co-pay and dispensing fee. The Pension Agreement will also be issued separately. A Defined Contribution (DC) Pension Plan will apply for all employees who are not members of the current Defined Benefit (DB) Plan effective January 1, 2009. Employees will receive education regarding their new plan. Current Defined Benefit (DB) Plan members will remain in the current DB Pension Plan.

19.02 An employee shall not receive wages or other allowances such as holiday pay, vacation pay, weekly indemnity, LTD, Worker's Compensation, or other similar benefits from more than one source for the same day or part day.

19.04 The Employer will hold annual pension seminars across the province for both the DB and DC plans.

SECTION 20: PAY DAY

20.01 A regular weekly pay day shall be continued as established by the Employer (this pay day shall not be Saturday). The Employer will provide access to the pay stub/advice slip to all employees work locations on a weekly basis.

An immediate advance will be issued by the Employer to any employee due to payroll errors.

21.01 There shall be no discrimination, intimidation, interference, restraint, coercion, or attempted coercion, by or on behalf of the Employer or any of its representatives or by, or on behalf of the Union, its members or its agents with respect to any employee, because of membership or non-membership in the Union.

21.02 There shall be no discrimination, intimidation, interference, restraint, coercion, influence, or attempted

influence, by or on behalf of the Union, its members, or its agents, with respect to the handling, distribution, or sale of any product of any Brewer offered for sale through any outlet operated by the Employer.

21.03 Both the Employer and the Union endorse the principles outlined under the “Ontario Human Rights Code” wherein it is illegal for either the Employer and/or the Union to discriminate in respect to employment or membership in the Union and agree to work together to ensure that no employee is discriminated against contrary to the code as outlined in the Human Rights Code.

SECTION 22: MANAGEMENT FUNCTIONS

22.01 The right to hire, promote, demote, discharge or discipline for cause, and to maintain discipline and efficiency of employees is the sole function and responsibility of the Employer, subject to the terms and conditions of this Agreement. All matters concerning the operation of the Employer’s business not specifically dealt with herein shall be reserved to the Management and be its sole responsibility.

22.02 In the imposition of discipline, prior disciplinary written warnings or reprimands will not be referred to after twelve (12) months; prior suspensions will not be referred to after thirty (30) months. Suspensions are immediate.

22.03 When an employee is disciplined or discharged the Union shall be given, in writing, the reasons for such action, with such particulars as will enable the Union to determine whether or not a grievance should be processed.

Whenever an issue arising out of discipline or discharge is to be arbitrated and when the Chairperson of the Arbitration Board has been appointed or agreed upon, the parties will exchange letters giving full particulars of:

- (a) the Company's reasons for imposing the discipline or discharge, and
- (b) the Union's reasons for protesting the discipline imposed.

It is intended that this exchange of correspondence will determine the issues to be settled by the Arbitration Board.

SECTION 23: STRIKES AND LOCKOUTS

23.01 There shall be no lockout by the Employer nor any unlawful strike, sit-down, slow-down, nor curtailment in operations by the Union for any reason whatsoever, during the term of this Agreement.

SECTION 24: SEPARATION PAY

24.01 A Full Time employee shall be entitled to separation pay as set out in subsection .03 provided they have not been excluded by subsection .02 and provided they meet any of the following eligibility provisions:

- (a) if they are terminated for a reason other than set out in subsection .02;
- (b) if they are laid off and on any date during their lay-off the hours scheduled for them during the previous twelve (12) consecutive months were less than fifty percent (50%) of normal full time hours provided they are not eligible for any Company or Government pension or for benefits under the Company's insured Weekly Indemnity or Long Term Disability Plans;
- (c) in special cases where a laid off employee appears to have little prospect of recall to regular work within a period of six months they may request immediate termination and separation pay, and with the concurrence

of the Company and the Union this may be granted notwithstanding the eligibility clause in (b) above;

- (d) if they are ultimately designated for indefinite lay off as a result of a major technological change as provided in Section .02 of the Letter of Understanding concerning technological change;

An employee eligible for a separation payment hereunder must apply for it not later than six months after they first becomes eligible therefor, otherwise their right to such payment shall be cancelled.

Notwithstanding the above if the Company permanently discontinues an operation; an employee laid off as a result thereof must apply for and shall receive any separation pay to which they are entitled without waiting the six month's period.

24.02 Notwithstanding subsection .01, an employee shall be excluded from separation pay eligibility if:

- (a) they quit;
- (b) they are terminated for just cause;
- (c) they are terminated under Section 6.07 of this Collective Agreement;
- (d) they have been terminated because of specific direction or decree from any Government authority which has the effect of curtailing any of the Company's operations; unless
 - (i) the direction or decree is the result of an illegal act committed by the Company or one of its representatives, or
 - (ii) the direction or decree purports to change the method of beer retailing and/or beer distribution within the Province;

- (e) they have been laid off because of any act of war or the hostile act of any foreign power or by any act of sabotage or insurrection or by any act of God;
- (f) they are laid off and has arranged with the Company to take leave of absence without pay for a specific period in lieu of their layoff;
- (g) they are in receipt of income replacement benefits under the Weekly Indemnity or Long Term Disability Plans or the Workplace Safety and Insurance Act;
- (h) they are entitled to receive any pension under the Company or Government Pension Plan.

24.03 The amount of the separation payment of an eligible employee shall be equal to:

- (a) two (2) week's base earnings (computed on the basis of their hourly rate in effect as of time of layoff) multiplied by the number of their completed years of seniority (as used for vacation entitlement) as of the last day they actively worked in the Bargaining Unit, plus
- (b) for employees classified as probationary or Full Time employees prior to March 21, 1988, an additional Four Hundred Dollars (\$400.00) multiplied by their completed years of seniority used in (a) above to a maximum of 15 years. However, such eligible employee who applies for separation pay at the time they first becomes eligible therefore shall have their separation pay under this part (b) calculated as Eight Hundred Dollars (\$800.00) multiplied by their completed years of seniority used in (a) above to a maximum of 15 years. If there is a permanent closure of a brewery (or complete retail and/or distribution operations of Brewers Retail) the 15 year maximum is replaced with a 22 year maximum.

24.04 The Company shall be authorized to deduct from any separation pay payable to an employee hereunder the amount of any Guaranteed Wage Plan payment made to such employee which the employee was not entitled to receive.

24.05 If an employee applies for and accepts a separation payment hereunder, their employment is terminated and their seniority and other rights under the Collective Bargaining Agreement are cancelled.

SECTION 25: TERMS AND CONDITIONS

25.01 The Employer and employees covered by this Agreement agree to abide by the terms of the Liquor Control Act and Regulations and other relevant statutes.

25.02 All terms and conditions of this Agreement shall be subject to change without notice if, as and when required by reason of any legislation or order of the Federal and/or Provincial Governments.

25.03 This Agreement shall remain in force and effect from the effective date up to and including December 31, 2023 and shall automatically continue from year to year thereafter until either party serves written notice on the other party by registered mail thirty (30) days and not more than sixty (60) days prior to any annual expiration date that changes are desired – such changes to be listed in the said notice. When such notice has been given by either of the parties bound by this Agreement, the party notified shall commence to negotiate within fifteen (15) calendar days from notification. However, all conditions of this Agreement are to remain in force until negotiations are completed and/or Conciliation proceedings exhausted.

Payment

TBS employees completing the line haul will be compensated on an activity rate basis. Activity based rates will be utilized for the line haul of deliveries from Distribution Centres to Cross-Docks only. Rate Schedules and Rate Definitions are available in Distribution Centres. The determination of line haul distances is subject to discussion between the parties and will be based on point to point odometer readings.

When calculating vacation, W.I. and LTD benefits, base daily earnings shall be eight (8) hours times the hourly rate for the driver's appropriate classification.

Multipool Deliveries – Payment

A multipool delivery is defined as a trailer load of product that requires the driver to pick up and/or deliver at more than one cross dock. Payment for the first call is incorporated into the applicable line haul rate. For each subsequent call, the driver will be paid a multipool premium equal to fifteen minutes of their hourly rate.

Fueling – Payment

Where the line haul driver is required to fuel the truck, the driver will be paid a fueling premium equal to fifteen minutes of their hourly rate.

Scheduling of Line Haul Work

The company will establish "Line haul driver" as a classification and will post for these positions. Successful applicants must hold an appropriate, valid driver's license for the position.

Interest Postings will be utilized to determine which qualified TBS employees will be scheduled to the relief line haul. In this instance, qualified means that the employee has the appropriate license (in good standing) and ability to complete the work assignment. The Company reserves the right to utilize third party carriers where the Company deems it necessary.

If logistics work is available, all active Full Time drivers will be offered sufficient work each week to allow them to gross the equivalent of 40 hours at the straight time hourly rate. For each day of absence from work by the driver, for any reason, 8 hours will be deducted from the above forty hours. Drivers may exercise an option not to maximize weekly work (40 hour equivalent). On each Wednesday, the schedule of line haul work for each day of the following week will be posted with a copy to the Union upon request.

A Sunday line haul shift will not commence prior to 12:00 p.m.

Delays

Down time in excess of 30 minutes outside of the control of the driver, will be paid at the applicable hourly rate, up to the balance of a day's pay, provided the driver notifies the DC supervisor within one hour of the commencement of the down time. No payment shall be made for the first 30 minutes of down time. Where a significant delay is caused by an MTO inspection, the driver will be paid the equivalent of 30 minutes of their hourly rate. The Company will provide communication devices for each line haul vehicle.

When delays require that a line haul driver must stay overnight, the Company will reimburse for reasonable meal and lodging expense.

Legal Counsel

The Company will provide legal counsel to defend a driver who is charged under the Highway Traffic Act, while operating a Company vehicle on Company hours if the circumstances are beyond the driver's control. This would not include moving or alcohol related offenses. The Company reserves the right to investigate each incident and based on the circumstance, will then decide if counsel will be provided.

Highway Traffic Act Violations

Any ticket issued to a driver will be the responsibility of the driver to pay, and progressive discipline may apply. Any ticket issued to the Company will be the responsibility of the Company to pay, but progressive discipline may apply to the driver.

Statutory Holidays

Kilometers driven or hours worked during a Statutory Holiday between the hours of 12.01 a.m. to 11.59 p.m. will be compensated at a premium rate of 150% of the kilometer rate or hourly rate as well as 150% of the applicable activity rates performed.

The Company and the Union agree to have ongoing dialogue with regard to items of concern that may arise.

Within 60 days of ratification, the Company will implement TBS line haul to the existing cross-docks.

- (e) These premiums shall not be used to calculate overtime and premium pay for paid holidays.

“PERMANENT PART-TIME EMPLOYEES”

Effective Monday following ratification, August 30, 2021, Permanent Part-Time Positions to be eliminated by attrition. The current selection process for PPTs will remain in place for new Full Time employees.

Each Labour Management meeting, as contemplated in Appendix “D”, the District Managers will establish (a) the number of known vacancies for Full Time employment in the next twelve (12) months; (b) the employees who have been selected for Permanent Part-time status. The company will maintain a minimum of two hundred and fifty (250) permanent part-time employees. In keeping with the desire to develop qualified employees, it may employ more than two hundred and fifty (250) permanent part-time employees. In the event, the number of permanent part-time employees falls below two hundred and fifty (250), within thirty (30) calendar days, the company will post for

sufficient replacements to re-establish the minimum two hundred and fifty (250) permanent part-time employees. Should these vacancies not be filled within sixty (60) calendar days, selected permanent part-time employees will be paid retroactively to the sixtieth (60th) day. In addition, the Company will report the current number of PPT's to the Union President monthly.

Part Time employees who are interested in advancement to PPT status will make their interest known to their store manager or DC manager in writing.

The criterion for the appointment to the Permanent Part-Time list is as follows:

- There is sufficient part-time work to afford a Permanent Part-Time employee 24 hours of work per week;
- The employee is available for the assignments;
- The employee has been graded satisfactory by the employer
- The employee has a minimum of six (6) months of service within the seniority group.

Follow up development plans will be provided to unsuccessful permanent part time candidates.

The employer will schedule the hours of work and may post on the previous Wednesday by noon and/or may change the schedule as operations require. Permanent Part-time employees may access up to forty (40) hours per basic work week (Monday to Saturday) in their domiciled location.

The penalty clause as contemplated in 4.11 for Full Time employees will not apply to permanent part-time employees.

Within any Seniority Group employees in the PPT Classification will be ranked in order of the date they attained

PPT status. In the event two or more employees attain PPT status on the same date, their part time hire date will be used to determine seniority.

Permanent Part Time employees who do not work 24 hours on a regular basis, unless the hours are not available, will be reclassified to the Part Time classification.

Preference will be given in selecting the employees for advancement to Full Time status to those permanent part-time employees within the seniority group who have the potential job qualifications and have been graded satisfactory.

PPTs who are domiciled in one operating division and refuse the offer of advancement to full-time status in the opposite operating division, will not be offered future full-time advancement to that opposite operating division.

PPTs who refuse two offers to advancement to full-time status in their own operating division will be reverted to Part Time status in accordance with their availability. Should extenuating circumstances exist, the parties may mutually agree to consider alternate resolution.

PPTs will complete a sixty (60) day probationary period when moving into their full-time position outside of their domiciled operating division. Upon successful completion of the probationary period, employees will be paid retroactively to the date in which they moved into their Full Time position.

If the PPT is deemed to be unsuccessful in their probationary period by the Company they will be returned to their previous PPT position. This will not be considered a refusal for advancement to Full Time status. Should the PPT through their probationary period voluntarily return to their previous PPT position, this will be considered as a refusal for advancement to Full Time status.

Upon advancement to Full Time status, the employee's name will be placed on the appropriate seniority list and will be credited for half of the service in the PPT classification to a maximum of two years. For the purpose of participating in the Guaranteed Wage Program, an employee shall not be eligible until September 1 of the year following the employee's attainment of three years' service as a Full Time employee. Permanent part-time employees who do not perform satisfactorily however, will not be considered for advancement nor offered any further hours of work.

At the staffing meeting the District Manager's selection to fill a vacancy will be discussed with the Union. The District Manager will take into account any representation of the Union in respect to this selection (given 2.01 and 2.03 of the C/A). After this meeting, the District Manager or their representative will advise the candidates selected. A representative of Union 12R24 and the Employee Relations Department may be requested to assist the parties.

For those Part Time employees who are designated as Permanent Part-time (PPT), the employer may grant a PPT preference for Part Time work in their own store or in another store or depot within their seniority group. Upon agreement between the Company and the Union, the PPT may be re-assigned to other locations within their seniority group based on business needs. They will also be entitled to:

- (i) Effective April 30, 2003 – full uniform issue;
- (ii) Rate differential for higher classification – see Section 5.06;

- (viii) 16 hours personal leave. “PPT” employees who have been absent for a period greater than twelve (12) months shall be granted one and a quarter (1.25) hours personal leave for each calendar month of employment for the year in which they return.

A probationary period for new Full Time employees will be established on the following formula:

- An applicant with no experience
 - 4 months probation
- A PPT who has been on the list less than 6 months
 - 2 months probation
- A PPT who has been on the list more than 6 months
 - 1 month probation
- A PPT who has been on the list more than 1 year
 - no probation period

All other Part Time employees will be employed on a seasonal, casual or part time basis at the discretion of the employer.

SCALE OF ISSUE – UNIFORMS**

Moved to Section 18 as of Monday following Ratification
– August 30, 2021.

APPENDIX “D”
GUIDELINES FOR DECLARING A VACANCY:

In addition to the regular Labour/Management meetings that may be held on a local basis, it is agreed that the District Manager and/or their representative(s) and union officers and/or their representatives (not more than three from each side, unless mutually agreed) shall meet once per year by April 30th to review vacation schedules, the number of classified positions to be posted and the number of known vacancies to be filled. They will also meet in September to review vacation schedules.

The parties agree that representatives of Local 12R24 and the Employee Relations Department may discuss from time to time, such items that may be of mutual interest.

The local meetings held to discuss staffing in each Seniority Group will consider the following items to determine if a vacancy exists:

1. Full work for five (5), eight (8) hour days, for forty-four (44) out of fifty-two (52) consecutive weeks, within a store or distribution centre, will be deemed to create a vacancy unless caused by conditions described in (2) below:

In the determination of vacancies, the following shifts will be considered “equivalent eight (8) hour shifts”:

- Straight shifts of seven (7) hours or greater.
- Split eight (8) hour shift that is completed within a fourteen (14) hour span, that is, fourteen (14) hours from the commencement of the first split shift to the conclusion of the last split.

Where “equivalent eight (8) hour shifts” are used to declare a vacancy, the vacancy will be declared under the following conditions:

- No more than two (2) split eight (8) hour shifts per week can be used to declare a vacancy.

- No more than one employee per site can be hired on the basis of “equivalent eight hour shifts” at any one time.
 - Employees appointed to full time under these conditions will also be scheduled under these conditions as required.
2. Absences by other employees on that seniority list who are likely to return will not constitute a vacancy such as:
 - Sickness and Accident
 - Special vacation and days off arrangements (except vacation bonus days)
 - Leave of Absence, including Jury Duty, Bereavement, Union Business, etc.
 - Transfers of an employee to another location, on other than a permanent basis.
 3. The Company agrees to base a Full Time employee in a store that is managed by a multi-location manager where the manager is not domiciled at that store and where such store does not currently have a Full Time employee.
 4. Hours worked in the relief of supervisor’s vacation and day off will be used in the determination of vacancies.

In addition to the above, hours used in the sorting of empties and hours worked on Sundays will not be involved in the determination of vacancies.

The Union will be provided with Weekly Productive Time Reports.

Vacancies identified under the terms of Appendix “D” as a result of Retirement, Death, Voluntary Exit, Dismissal, Promotion to positions outside the bargaining unit, and Definition Change under the terms of the Long Term Dis-

ability benefit will be filled within thirty days. When a vacancy has been determined and it is a straight hire, no classification posting required, the position will be filled immediately. In the event an employee returns after receiving Long Term Disability benefits as described above, the next vacancy will not be replaced.

In the event a Store Manager role becomes vacant as result of Retirement, Death, Voluntary Exit, Dismissal, Promotion or Transfer to another position or Definition Change under the terms of the Long Term Disability benefit, a new Store Manager will be put in place at that location within eight (8) months. If a Store Manager is transferred, the new vacancy created will be filled within eight (8) months of the original vacancy. If a new Store Manager is not in place within eight (8) months, the vacancy will be filled. In the event a Store Manager returns after receiving Long Term Disability benefits as described above, and they were replaced with a Full Time employee, the next vacancy will not be replaced.

APPENDIX “E”: SAFETY

The Company shall institute and maintain all reasonable precautions for safeguarding the health and safety of its employees. Both the Company and the Union recognize their mutual obligations to assist in the prevention, correction and elimination of unhealthy and unsafe working conditions and practices. All employees are expected to adhere to safe working practices. The Employer and employees will co-operate in the observance of all safety regulations.

Any outstanding matter relevant to safety conditions may be brought up and dealt with at a meeting between the Union and Management.

- Joint Health and Safety Committees in Distribution Centres will meet monthly.
- The Employer will continue to pay wages as prescribed under Section 9 OHSA.
- The Company and the Union agree that there shall be a Provincial Joint Health and Safety Committee that will meet quarterly.
- If Joint Chairpersons are in agreement with the necessity to attend, the Employer will pay wages for additional TBS employees to attend Provincial Joint Health and Safety Committee meetings.
- Monthly workplace inspections will be placed on the work schedule.

The company and the union agree that modified or transitional duties are important return-to-work programs for employees who suffer an injury or an illness. The employer agrees to always attempt to create modified work programs for all employees who are not totally disabled. Employees who are not totally disabled will participate in these transitional work programs. The company and the union will work jointly in the creation of modified work

programs for all injured employees. Where practicable, modified work committees will be established and both the qualified union representative and management will play an active role in the creation of the modified duties and the progress of the program. Where not practicable, dialogue as required through other means will be utilized.

Appropriate forms will be provided by the employer to the injured worker and the worker will be expected to have their professional health care provider fill out these forms outlining the restrictions of the injured worker in a timely manner. The professional health care provider will be advised that The Beer Store offers modified work programs. When the employer offers modified work, where practicable, a meeting will take place between the manager, the union, and the employee to create a transitional program that is suitable to the restrictions of the injured worker. Where not practicable, dialogue as required through other means will be utilized. The employer's offer of modified work will be provided in writing and will be the subject of on-going discussion between the injured worker, the union, and the company. The Company will endeavour to provide modified duties during the injured workers' regular shift where practicable.

For stores / depots not covered by existing Joint Health and Safety Committees, a Union Representative and a Company Representative will visit these stores / depots at random and complete the Monthly Workplace Inspection Report. Such stores / depots may be visited once per year. Local management will follow-up on joint recommendations and a copy of the Workplace Inspection Report will be posted in the location. Unresolved issues may be submitted to the Provincial Joint Health and Safety Committee.

The Company will grant the aforementioned Union Representative a leave of absence without pay to complete

the inspections. Operational needs must be taken into consideration when scheduling these inspections. The Company is not responsible for the expenses of the Union Representatives and these Representatives are not to be characterized as Representatives as defined in Section 8 and 9 of the Occupational Health and Safety Act.

The Employer will provide fifty (50) paid days per year to the Union for Health and Safety or other union initiatives. The Employer will provide one hundred and fifty (150) unpaid training days for Health and Safety.

AND WHEREAS the said Parties have agreed to make this supplementary Agreement, which is to be a supplement to the said Collective Agreement, and any grievances arising out of the administration of this supplement may be dealt with under the Grievance Procedure of the Collective Agreement.

NOW THEREFORE the Parties agree to the continuation of the Guaranteed Wage Plan as hereinafter set forth with such continuation to become effective on the 1st day of September, 1988 or on any later date on which approval for continuation has been received from the Federal Government holding that:

- (a) The Plan meets the requirement of Employment and Immigration Canada with respect to Supplemental Unemployment Benefit Plans,
- (b) Payments by the Company pursuant to this Plan will be classed as deductible expenses for corporate income tax purposes, and,
- (c) The receipt by employees of the benefits provided by this Plan will not disqualify such employees from receiving any part of the Employment Insurance Benefits to which they would otherwise be entitled.

1. Purpose

The purpose of this Plan is to provide a method of guaranteeing income to certain employees who are laid off.

2. Eligibility for Participation in the Plan

Any Full Time hourly-rated employee having at least one (1) year of seniority determined as of the September 1st immediately preceding their layoff, shall be eligible to participate in this Plan.

3. Exceptions

6. Benefits Provided for Laid Off Employees

Subject to the terms and conditions of the Plan as herein set out each eligible employee who is laid off from the Bargaining Unit shall receive in addition to any wages earned in the week a benefit from the Plan for each week of layoff calculated by determining the product of items 1, 2 and 3 below and deducting from such product the sum of item 4 below.

8. Duration of Benefits

The maximum benefit entitlement of an employee at any time shall not exceed that benefit established in accordance with Table A. However, the employee's actual benefit entitlement will be less than the maximum benefit entitlement if they have used any benefits and has not subsequently restored them. Weeks of benefits are restored based upon the formula of 1/10th of a week for each eight (8) full hours during which the employee earned wages from the Company up to the employee's maximum benefit entitlement set out in Table A below. No credits towards future benefit entitlements are allowed for wages earned during any period in which the employee is already entitled to the maximum benefits set out in Table A.

Each eligible employee's weeks of benefits shall be decreased by one week for each week in respect of which they are on layoff and in receipt of benefits for more than thirty-two (32) hours; and by 4/5ths of one week for each week in which they are on layoff and in receipt of benefits

for more than twenty-four (24) hours; and by 3/5ths of one week for each week in which they are on layoff and in receipt of benefits for more than sixteen (16) hours; and by 2/5ths of one week for each week in which they are on lay-off and in receipt of benefits for more than eight (8) hours; and by 1/5th of a week in which they are on layoff and in receipt of benefits for eight (8) hours or less; and their weeks of benefits shall also be decreased by one week for each week in which they are on layoff but was disqualified for any of the reasons set out in subsections (i), (ii), (iii) and (iv) of Section 4.

10. Applications

Employees shall be required to observe such rules and follow such procedures and make such reports and applications as shall be prescribed by the Company after consultation with the Union. The willful falsification of any fact material to the determination of an employee's benefit rights under the Plan shall result in the forfeiture of any benefit rights they may have under the Plan for a period of twelve (12) months subsequent to the discovery of such falsifications, and this shall not preclude any other disciplinary action which may be imposed, subject to the Grievance Procedure of the Collective Agreement.

11. Reporting

The Company will make periodic reports to the Union weekly while employees are laid off and receiving benefits under the Plan and quarterly if no employees are on layoff, giving the Union complete information as to the number of employees who have been laid off, the duration thereof, the payments made to each individual under the Plan, the

number of ineligible and disqualified employees, and such other similar information as may be relevant.

12. Duration of Agreement

This Agreement shall continue until August 31, 2016. During negotiations for renewal of the relevant Collective Agreement, the Union is free to request amendments to this Agreement which shall also be part of such negotiations, but on the understanding that any amendments to this Agreement will not take effect any earlier than September 1, 2016.

13. Clarification Notes

1. Under no circumstances will the aggregate of E.I. benefits plus the weekly G.W.P. benefit payable to an eligible employee exceed 95% of the employee's regular weekly wage.
2. Pursuant to Section 4 of the G.W.P., an eligible employee only receives the G.W.P. benefit in respect of a period in which they are actually in receipt of E.I. benefits with the only exception being the two weeks of E.I. waiting period.
3. The employees covered by the Collective Agreement have no vested rights in the G.W.P.
4. Brewers Retail Inc. pays G.W.P. benefits out of its general revenue.
5. The Beer Store uses either the E.I. cheque stub or the E.I. G.W.P. Report to confirm the receipt of E.I. benefits prior to paying G.W.P. benefits to an eligible employee.
6. Payments made out of the G.W.P. do not operate to effect the amount of severance pay to which an employee is entitled pursuant to the Separation Pay provisions of the Collective Agreement.
7. The Plan is applicable only for periods of temporary lay off.

LETTER OF UNDERSTANDING #4

Dear Mr. Montgomery:

Re: Unloading/Reloading of Trucks
– (Renewed July 5, 2021)

While the Company believes that job security is achieved through providing the maximum customer service more efficiently than anyone else, the Company does recognize the Union's concerns and undertakes the following for the duration of this Collective Agreement in an effort to resolve those concerns:

1. The unloading/reloading of brewery trucks and BRI trucks at BRI locations will be completed by BRI employees. However, where there is a safety concern and/or possible delay in turn-around, the driver may be requested by a BRI employee to provide assistance.

The objective is to improve turn-around times and not to reduce the number of hours used in BRI stores.

2. If a change in method/practice will affect lay-off and/or job loss, the Company will discuss the change with the Union 90 days prior to implementation to allow the Union time and opportunity to offer possible al-

ternatives that would achieve similar benefits as the proposed change.

It is understood that this letter shall form part of the Collective Agreement.

Dear Mr. Edwards:

Re: Fleet Efficiencies (Renewed July 5, 2021)

In the interest of improving the efficiency of our fleet, notwithstanding the provisions of Appendix “A”, the Company will assign classified AZ drivers for product returns including, empty containers and recyclables materials from cross docks to the DC and or recycling process supplier.

This work will be paid at Line Haul rates.

Interest lists will be utilized and assigned as follows:

1. Classified AZ drivers by seniority.
2. Qualified drivers by seniority.
3. Should this work not be filled by the interest posting the Company will schedule such assignments by reverse seniority.

Clarifying Point 2: Qualified drivers includes Line Haul drivers

It is also understood that for the purpose of fleet maximization, Line Haul drivers will be permitted to pick up empty containers from cross docks. This will include all container types and recyclables.

The Company may assign AZ/Line Haul drivers to pick-up full-goods on the return trip from the recycler. Where deemed appropriate to maximize the fleet, the Company may assign the driver to pick up from a DC on their return trips.

The Employer agrees to investigate a trial whereby the Sudbury and Ottawa Distribution Centers perform line-haul work involving recycling and the back-haul of supplies. Management and Union will meet to discuss the trial and its operation.

LETTER OF UNDERSTANDING #38

Dear Mr. Nock:

Re: State of Emergency/Pandemic

The Company and Union agree to discuss a Pandemic response plan in a timely manner which will include compensation which would be provided equally to all employees.

The Employer must ensure that employees are protected from infection or disease to the maximum extent possible. OSHA requires Employers to provide a safe workplace free of hazards likely to cause death or serious physical harm to its employees.

The Employer will apply emergency standards if employees may be exposed to grave danger from physically harmful agents or new hazards as identified. The Employer will make workspace safe by taking every reasonable precaution. The Employer will consider an adjustment to the standard method of job completion including reduction of hours, additional staff or required safety equipment.

Consideration will be given to the allowing of employees to schedule time off using accrued entitlement time or future entitlement time. All reasonable accommodation

requirements for safe return to the workplace after an exposure will be put in place.
